

LET'S STEP INTO THE
new world of ceramic industry

Technological innovation, aesthetic sophistication and innate versatility: the LONIX Grande line now includes The Top, a selection of large-size porcelain stoneware. Without the people who live in, homes, buildings and towns are nothing but empty spaces. Aware of this, LONIX has designed and produced ceramic surfaces where pragmatism meets beauty, innovation completes tradition, and technology is shaped to human needs.

new exploration

Going beyond possible & step in the world of grandeur which meant to bring supremacy & the feel of unparalleled experience. Being the quintessential of unprecedented artistry, our surfaces reinterprets in a contemporary way and, through the emotions, reaches the heart of our innermost self. We understand the connection between the inner space and the dwelling space reaches a new level of profoundness. Our Creation is all about to inspiring souls.

Modern

VISION

Aspire to glorify world by delivering the avant-garde ceramic creation, we envision to set the bar high with our mesmerizing artistry. Dreaming of a bold vision, striking a regal revolution, creating ground breaking technology, thinking ahead of times - people who made a huge difference in the world have embraced change.

Lonix is a prominent and esteemed player in terms of Manpower & Machinery. Perfect size of exquisite ceramic surfaces. The approach is to turn surfaces into art forms. The tiles is the blend of finest raw materials, diligence & craftsmanship, moulded by the experts This became our vision, to bridge this gap by harnessing our experience and diligence.

Mirror

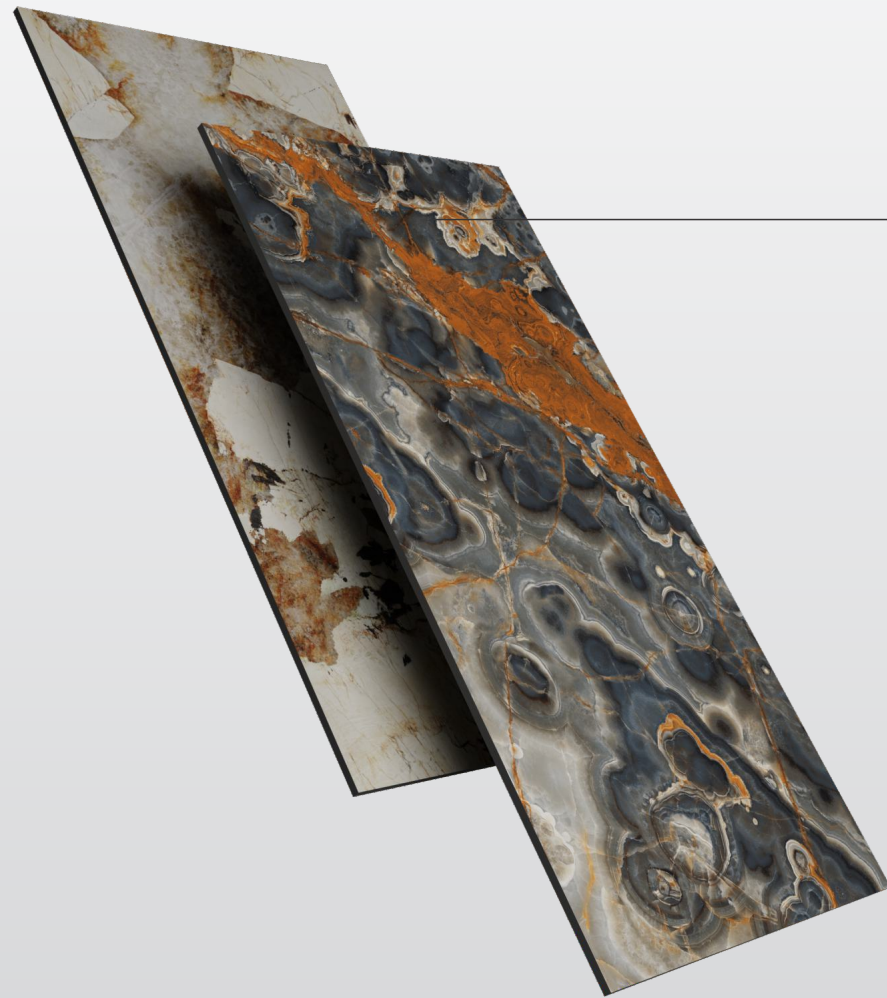

SURFACES

Mirror Collection brings the sensation of glamour & intensive gloss. Prestigious and rich materials have marked architecture over the centuries. Seductive tones and extremely suggestive graphics deliver an incomparable sensation of elegant and exclusive refinement. The result is an elegant collection that belongs to the most recent trend of contemporary design and architecture.
